

Important Changes to the booking process since Sisonke

You do not require a Voucher to make a booking.

You have to be registered on EVDS as a Health Care Worker to make a booking

You will not receive a Voucher SMS to confirm your booking (for Private Sites)

You do not need to click "Confirm Booking"

There are no separate websites to register and book, its all in one now.

Vaccine Rollout

Welcome to the V4HWC Covid-19 Vaccine booking portal

This portal is open to

- Phase 1

Health Care Providers

Health Care Workers

Private Vaccination sites populate their availability on this portal which then allows you to schedule yourself accordingly.

Sites are opening up daily, so please check back regularly if you do not find site close to you.
