

### **PRIVATE SECTOR VACCINATION SITES, 1 NOVEMBER 2021 (ELECTION DAY)**

Business for South Africa (B4SA), which is coordinating the private sector's work with Government to roll out the national vaccination programme, says that all private sector vaccination sites across South Africa are accepting walk-ins from anyone currently eligible for vaccination, regardless of whether they are insured or uninsured. Sites will accept anyone for vaccination who has an ID, passport or other form of identification, regardless of their nationality. These sites include both independent community pharmacies and corporate pharmacy chains (examples are Dis-Chem and Clicks), private hospitals and medical scheme vaccination sites.
